

Vision Statement

We aim to strive for excellence with our 5 core beliefs at the forefront of our practice: well-being; high expectations; every child is a reader; collaboration.

At Manor Drive Primary Academy, we encourage exploration and creativity through an inspiring, broad and balanced, engaging curriculum where learning is at the heart of all that we do. Our children will learn to become resilient and self-assured in a risk-taking environment where they thrive on and learn from the challenges they face. Each unique child is an individual and each child will grow to become a caring, active citizen in modern Britain.
