Dear Parents/Carers,

Re: Early Reading Workshop

We would like to invite parents in for an Early reading Workshop on Thursday 24th October at 2:40pm. This will be a short but highly informative workshop, vital to your child's reading success.

Miss Mason will be holding the workshop and it will cover a variety of essential information needed to support your child with reading including;

- Why is it important to read at home?
- How we teach your children to read in school
- How to support your children with reading at home

To support parents with this event we will ensure that Paston Gate will be open to enable parents to get to school easily.

Please can we ask that all parents arrive no later than 2:40pm. This will enable us to have a prompt start and finish just in time for normal collections.

We look forward to seeing as many of you as possible.

Kind Regards,

Mrs E Marks
Headteacher
