Dear Parents/Carers,

We want to reassure you that we are aware of a recent notification from Peterborough Local Authority regarding a threat email received by schools in a nearby Local Authority. The police believe this to be a hoax, but we remain vigilant as a precaution.

Please be assured that our school has well-established lockdown procedures and high-security measures in place. The safety of our students and staff is our highest priority, and we are prepared to respond to any situation should the need arise.

There will be additional staff present outside this morning and at the end of the day. Please could I advise that you arrive on the school site in good time, the children may enter the classrooms at 8:40am.

We appreciate your support and trust in our commitment to maintaining a secure learning environment. If you have any concerns, please do not hesitate to get in touch.

Kind regards,

Emma Marks

Headteacher
