Dear Parents/Carers,

Bicycle and Scooter Safety on Site

Dear Parents/Carers,

We would like to take this opportunity to remind you of our expectations whilst on school premises to ensure the safety of all members of our school community.

Please be advised that, as soon as you enter our school site, no adult or child is permitted to ride a scooter or a bicycle. This applies from the Main Porter Avenue entrance and from the top of the Paston Bridge entrance.

It is essential that we all adhere to this rule, as riding scooters or bicycles on-site increases the risk of accidents. By following this expectation, we can help to maintain a safe and secure environment for everyone.

Thank you for your continued cooperation and support in keeping our school community safe.

Kind Regards,

Mrs Emma Marks
Headteacher
