Dear Parents/Carers.

Mobile Phones in School

We are writing to confirm the arrangements regarding mobile phones in Year 5.

Children who have permission to walk to and from school independently may bring a mobile phone with them. On arrival at school, the phone must be switched off and handed to the class teacher during morning tasks. Phones will be stored securely in a plastic box and returned to each child at the end of the school day.

Please note that children who are collected by an adult at home time should not bring a mobile phone into school, as they will not need one for their journey.

We appreciate your support in helping us maintain a safe and focused learning environment while ensuring the wellbeing of pupils travelling independently.

Yours sincerely,

Mrs E Marks
Headteacher
