

4th November 2025

Dear Parents and Carers,

Re: Food Tasting Opportunities and Allergy Awareness

As part of our Passport to the World Day, on Friday 7th November, we are offering children the opportunity to explore a variety of foods from different cultures.

Please be assured that all staff involved have received **allergy awareness training** and there is a risk assessment in place to ensure the safety and wellbeing of every child during these activities. We take food allergies and dietary needs very seriously and will always take appropriate precautions.

If your child has a known allergy or intolerance, please inform the school office if there have been any changes to their condition or care needs that you have not yet communicated with us. This includes any newly diagnosed allergies/intolerances that the school is unaware of. This information is essential to help us plan and provide a safe environment for all pupils.

Please contact the School Office via email on office@manordriveprimary.org.uk to update us with any new information by Midday on Wednesday 5th November.

Please see below for the food items that will be offered to your child.

EYFS	Year 1	Year 2	Year 3	Year 4/5
Greek Yogurt*	Aioli	Banana	Boiled Rice	Sushi Rice
