Dear Parents/Carers,

Re: PCC Roadworks

We have been made aware of some roadworks that are taking place next week. The works taking place are on the Council owned section of road before the vehicle gate on the Newborough Road Entrance. These works are not carried out for the school and we have no say in when these works are carried out. Access using this entrance will be limited.

We would therefore recommend that any parents who live within walking distance; walk to school to reduce the amount of congestion on and around the school site. For those parents who need to drive we would recommend using the Porter Avenue entrance through the Manor Drive Estate.

We recognise that these works are likely to impact access to the school site and ask that parents support us by remaining calm if there are small delays and extra congestion.

Thank you for your continued support.

Kind regards,

Mrs E Marks
Headteacher
