

Who can apply

Parent Governors are elected by the parents/carers of pupils, on roll at the school, at the time of the election. They must be parents/carers of pupils on the school roll themselves to stand for election. The term of office for Parent Governors is four (4) years unless varied for the Parent Governor category on the instrument of government. Parent Governors do not have to stand down if their child leaves the school during their period of office, although they may do so if they wish. Parents may stand for re-election at the end of their term of office if they still have a child on the school roll.

Governors must be aged 18 or over at the date they are elected or appointed. There is no upper age limit for serving as a Governor. Elected members of the Local Authority and those who work at the school for more than 500 hours (ie for more than one third) in a year are not eligible to be Parent Governors but can vote in the election if they have a child on the school roll.

For the purpose of the election for Parent Governors, the principles of the **Children Act 1989** suggest that all those with a parental responsibility for a pupil (which may include separated or divorced parents, foster parents, and guardians) be entitled to stand and to vote.
