

12th February 2026

Dear Parents and Carers,

We are thrilled to share a wonderful opportunity for the young artists of Manor Drive Primary School. The Royal Academy of Arts is now accepting entries for its annual **Young Artists' Summer Show**, and our pupils are invited to submit their own artwork for consideration in this prestigious exhibition.

This is a fantastic chance for children to showcase their creativity on a national platform. If your child is interested in taking part, we encourage you to explore the Royal Academy website together via the link below, where you can find full details and view inspiring examples of artwork submitted in previous years.

The deadline for submissions is **5:00pm on Wednesday 4th March 2026**.

Once your child has completed their artwork, entries should be submitted for consideration into the exhibition online by photographing the piece and uploading it via the link below:

We would love to see many of our talented pupils take part in this exciting event. Thank you, as always, for your continued support.

Kind regards,

Mr Rowell
